

The YALE SCIENCE & ENGINEERING ASSOCIATION, Inc.

Membership Dues

YSEA connects alumni with students, the University, and each other to strengthen the Yale science and engineering community.

- Your dues help YSEA to provide research grants to Yale undergraduates, to support science fairs around the world, to recognize outstanding scientists and engineers through our award programs, and to connect alumni with each other and the Yale community.
- Your dues include a subscription to the print edition of *The Yale Scientific Magazine*.
- YSEA Fellows and Life Members will be acknowledged in our annual mailing and on our YSEA donor page.
- YSEA is a 501(c)(3) public charity (EIN number 06-1056561). Dues and other contributions to YSEA are tax deductible according to law.
- If your employer offers a matching gift program, you can use it to multiply your gift to YSEA. Please ask your employer's human resources department about its matching gift policy. By participating in a matching gift program, some of our members have been able to *double* the size of their gifts to YSEA!
